**CONTACT NO:** +918080906057

**Email Id:** abdulshafey24@gmail.com

As a IT graduate, I possess a strong foundation in front-end web development, coupled with a broad knowledge of various JavaScript languages, frameworks, and libraries.

Energetic self-starter, problem solver, and team player with outstanding technical and communication skills. A fast learner with the ability to grasp new threats, concepts, and technologies.

---

## TECHNICAL SKILLS

### Basic Linux:

- Proficient in basic Linux commands, file system navigation, and software installation

### HTML, CSS, JavaScript:

- Strong command of front-end web technologies including HTML, CSS, and JavaScript for creating interactive and responsive web applications.

### React:

- Proficient in React, a powerful JavaScript library for building user interfaces.

---

## CURRENTLY LEARNING

### Linux:

- Through online tutorials, documentation, and hands-on practice, I've acquired fundamental Linux skills. My proactive approach and dedication to learning make me adaptable and ready to take on Linux-related tasks in an entry-level role

### Node.js

- Currently expanding skill set to include Node.js, demonstrating a commitment to full-stack development.

---

## EDUCATION

### BSc Information Technology

Maharashtra college of arts, commerce and science  
University of Mumbai | 2019

---
