# Curriculum Vitae

**Name: Raj Ramdhani Bind**

**Email: rajbind686@gmail.com**

**Number: 9136792314**

## CAREER OBJECTIVES

To become a successful professional in an organization of global repute where my knowledge and skills are used for the growth of organization and self career growth as well.

**Professional Objective:**

To obtain a position in a leading information technology group that utilizes my skills as consistent troubleshooter with great attention to detail.

## TECHNICAL SKILLS

**Knowledge on Linux System**

- Good knowledge of Linux operating systems like RedHat Linux, Centos, Ubuntu
- Installation, configuration, troubleshooting and administration of Linux OS
- Good Knowledge of Symlink and Hardlink
- Linux Process Management
- Disk Management, LVM (Logical Volume, Volume Group), File Systems
- Managing of partitions and FS using Logical Volume Manager FDISK & GPT
- File system operations. (Create, mount, unmount and remove)
- Linux File System Troubleshooting
- Configure of remote support SSH as well as troubleshooting
- Good knowledge of Shell Scripting
- User Administration (Creation, Modification, Deletion, Managing permissions)
- Good Understanding of compression and archive (tar, zip, gz)
- Good Knowledge of Permissions (chmod,chown,chgrp) and Special permissions (STICKYBIT.SUID.SGID) and ACL
- Use and configuration of FTP, TELNET, SCP RSYNC to transfer files
- Good Knowledge of RPM (RedHat Package Manager) and Yum
- Good Knowledge of Firewall and iptables
- Installation and configuration of MySQL Database (MARIADB)
- Understanding of Fstab and filesystem
- SAMBA and NFS
- Configure of httpd,vsftpd,sshd, services
- Basic knowledge of ANSIBLE
- Knowledge of Boot process
- Configuration of IP, Hostname, DNS, DHCP, Gateway

- ➤ Installation, Configuration and Manager VSFTPD,NFS,samba,apache,SSH

- ➤ Basic knowledge of CCNA (networking, OSI model, router,switch,hub,bridges and topology also ipv4 and ipv6, subnetting, VLSM).
- ➤ Fundamental knowledge of Hardware and network infrastructure.

## Roal and Responsibility:

- Create Users, Group as per user creation policy,
- Change ownership of file and set permissions on file system for owner, group and others,
- Installation and configuration of Linux OS as per client's requirement.
- Installation of software and packages by using YUM server and RPM.
- Managing of partitions and File System using Logical Volume Manager and fdisk command
- Add new partitions and logical volumes, swap to a system
- File System operations (Create, mount, unmount and remove)
- Linking files using Hard Link and Soft Link,
- Creating & Managing notes groups, renaming groups, deleting groups.
- Solving password related problems of the users
- Troubleshooting Network issues.
- Configuring & troubleshoot the issues.
- Scheduling job through crontab.
- Taking system backup to the remote server using "rsync " tools and compressing with tar,zip,gzip and bzip2
- Checking process via top and observing disc and memory utilization
- Managing SElinux policy and firewalls ensure more security.
- Loging remotely with tools like SSH,rdesktop,putty and mobaxterm.
- Installation and configuration and administration of Vmware
- Snapshort and cloning of VM.
- Installing software and application to user standards
- Patching and upgrading packages in server.

### BASIC KNOWLEDGE AWS SKILLS:

- ➤ IAM (Creating User/Group) & MFA & giving access to services
- ➤ EC2 (Creating Instance, Volumes, Snaphot, Security Group, Load Balancing, Auto Scaling) S3
- ➤ (creating bucket, Giving access to bucket, Versioning, Lifecycle, Replication)
- ➤ Mounting AWS bucket in Linux
- ➤ Cloud trail/Cloud watch.

## WORK EXPERIENCE

**INOX NETWORK PVT.LTD**          **From: 05/08/2022     Till: PRESENT**

**TOTAL WORK EXPERIENCE : 1.5 years**

- I was responsible for taking care of the network and system management of the Centre having more than 300 servers with window and Linux server OS.
- Experience in Troubleshooting of network, OS and performance related problems.
- Installation and Configuration of file sharing server - NFS,FTP,SAMBA
- Installation and Configuration of DNS,Apache,Tomcat,Mysql,
- Teaming(Bonding) Ticketing tool with Siebel service Manager
- Login remotely through Mobaxterm,ssh,putty, rsync, scp, telnet, filezilla
- Monitoring CPU utilization for criteria process like "java", "httpd", "mysqld" using (Tools:- top,sar,free-m).
- Experience on backup and recovery software like Net backup on Linux environment.
- Assisted in hardware installation and Maintenance of workstations, servers, networking equipment, and other supporting hardware.
- Install, configure and maintain various Linux/Unix software and applications using the package management system apt,yum,rpm and tarball installation.
- Monitor of our multiple types of server with using NAGIOS tool
- Performed user account creation, deletion, and configuration.
- Proven experience in end-to-end problem determination/troubleshooting system issues.

## STRENGTHS:

- Highly motivated and eager to learn new things
- Ability to produce the best result under pressure
- Analytical mind and positive attitude
- Determined and hardworking
- Enthusiastic and a quick learner.
- Quick and effective troubleshooting
- Strong determination

## EDUCATION

**Academic Qualification:**

**BCOM (Degree)**
   University : Mumbai University
   College : Ramanand Ary D.A.V Autonomous college
   In progress

**12TH HSC BOARD**
   School : S.H jondhale junior college
   Passing year : 2021
   Stream : commerce
   Marks : 83.16%

**10TH SSC BOARD**
   School : S.T mery primary secondary school
   Passing year : 2019
   Marks : 71.60%

## PERSONAL DETAILS

DATE OF BIRTH        :  25/09/2002

FATHER NAME         :  Ramdhani bind

MARITAL STATUS   : Single

NATIONALITY          : Indian

LANGUAGES KNOWN   :  English, Marathi, and Hindi

ADDRESS                :  Mumbai Maharashtra

INTEREST AND HOBBIES : Drawing, listening music, playing games like chess and learn to linux

## DECLARATION

I hereby certify that, to the best of my knowledge and belief, the information provided above is accurate. I consider myself to be knowledgeable about the technology.
